

Connect The Dots

Connect the Dots is a five-week series designed to help students grow and develop a faith of their own. By talking to them about the specific things God can use to grow their faith, middle schoolers will get a tangible understanding of something that can seem abstract: the way they can connect the dots to further connect with the God of the universe.

MEMORY VERSE

“And now, just as you accepted Christ Jesus as your Lord, you must continue to follow him. Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.”

Middle School

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your middle schooler starts their day, write them a simple, “You’ve got this!” or “I’m proud of you!” on a sticky note and put it on their bathroom mirror.

Meal Time

At a meal this week, ask your middle schooler: “What is one thing you can do to be more like Jesus?”

Drive Time

While on the go this week, start a conversation with your middle schooler by asking this question: “What are you most looking forward to for the rest of the school year?”

Bed Time

Pray for your middle schooler: “Help [child’s name] to put their faith in to action. May they not only be known for what they say they believe, but also how they live out what they believe. And may that be true for me as well.”
